

The screenshot displays the LiveDesk interface. At the top, there is a navigation bar with the LiveDesk logo, a dropdown menu for "LiveDesk", a dropdown menu for "Layouts", a dropdown menu for "Pods" (highlighted with a red box), and a dropdown menu for "Help". To the right of the "Help" menu is a hand icon and a small dropdown arrow. Below the navigation bar is a sidebar on the left with a dark background, containing a "USERS (1)" section with a hamburger menu icon, and several user categories: "Managers (0)", "Team Leaders (0)", "Floorwalkers (0)", and "Advisors (0)", each with a "No users" status. The main content area is light gray. A "Pods" dropdown menu is open, listing "Image", "Note", "Users", "Chat", "Threaded Chat", "Files", "Poll", "Web", and "Mood Meter". The "Image" option is highlighted with a red box. A secondary dropdown menu is open from the "Image" option, listing "Add New Image", "Image 1", "Image 2", and "Image 3". The "Add New Image" option is also highlighted with a red box. Red arrows indicate the flow from the "Pods" menu to the "Image" option, and then to the "Add New Image" option.
