MOOD METER

Feeling down? We are sorry you are feeling this way. Please select what best describes how you feel so a manager knows how best to help you.

- 😞 A bit overwhelmed: Would be good to get a call from a Team Leader.
- 😓 Struggling with some knowledge on calls today: Manager contact would be helpful.
- 😓 No help needed but a tough day.
- 😓 I am feeling unwell and will be following the absence process.
